Purana itihaas

Purana itihaas (Pre-history) uu jamana ke bola jaawe hae jab ki insaan likhe nai sakat rahaa.

Pre-history, you time suruu hoe jab ki univerce banaa rahaa lekin iske jaada kar ke uu time se suruu karaa jaawe hae jab ki dunia me koi jinda chij suruu bhaes. dinosaur ke prehistoric janwar bola jaawe hae kahe ki uu time ke log likhe nai sakat rahin. Pre-history ke baare me bahut chij nai jaana jaawe hae lekin tools, bones, aur cave drawings dekh ke ii jaana ke baare me samjha jawa jaae sake hae.

Pre-history ke time log jhunnd me raha trahin jiske *tribes* bola jawe hae aur ii logan gufaa aur tambuu me rahat rahin. Ii lgan simple tools jaise ki lakrri,haddi ke kaam me laae ke ghar ke chij aur janwar ke maare ke kaam me lawat rahin. Ii logan aagi banawat rahin flint aur steel se aur aagi ke kaam me laae ke khana banawat rahin aur apne ke garam rakkhat rahin. Ii logan janwar ke chamrraa se aapan kaprraa bnawat rahin.

Timeline of Earth

- 4,500 million saal pahile – Chhota chhota patthar jon ki Suraj ke round kare hae, se dunia banaa.
- 3,500 million saal pahile – pahila, bahut siple aur chhota jinda chij pahila dafe saundar me bhais
- 600 million saal pahile - pahila janwar, samundar me
- 500 million saal pahile - pahila janwar aur perr, jamiin me
- 230 million saal pahile – pahila dinosour
- 65 million saal pahile – dinosour mar gain aur janwar iske jagha aain
- 30 million saal pahile - pahila bandar
- 2.5 million saal pahile - pahila insaan

Timeline of people

- 2.5 million years ago – Start of Lower Paleolithic age, during which a type of early human called Australopithicus lived. These people made tools out of bones and stones and made shelters out of branches.
